cl@n – How could you become involved ?

We are keen to draw on as many people's ideas and expertise as possible. We are looking creatively at all aspects including service delivery, funding, and the use of volunteers in various capacities. **We are open to all suggestions !** Here are some thoughts of possible ways that you or your organisation may be able to help. This is by no means exhaustive and is designed to start you thinking....

YOU as a child or young person :

Have you any suggestions of organisations or places that we ought to be putting information about cl@n ?

Would you be interested in being involved in our participation group to make sure we are doing things in the best way we can for children and young people?

Have you any thoughts on our « R U U18 ? » web page ?

YOU as an individual or as a potential referring agency:

Could you offer some time to provide help (legal and/or non-legal)?

Can you think of people/organisations that we ought to contact?

Do you know of any potential funders that might support cl@n?

Have you thought about becoming a supporter ? (see Supporter's Form)

Can you think of anything which we could do to make it easier for children and young people to access our service ?

YOU as part of a law firm or business :

Have you considered how this might fit in with your corporate social responsibility agenda ? Could you offer solicitor's or administrator's time to help with service delivery ? Could you offer meeting rooms for training ? Do you have a fundraising event that you could donate the proceeds to cl@n?

Have you thought about becoming a supporter ? (see Supporter's Form)

If you do have any ideas, however small, we would like to hear from you. Please write them down on the back of this sheet, along with your name and address and send them to us. We will then get back to you. Alternatively, you can email us at info@clanchildlaw.org.

We are extremely grateful for all of your thoughts and contributions.
